NextGen Paddle Academy

Welcome to the NextGen Paddle Academy, a high-performance institution dedicated to nurturing the next generation of professional paddle players. Our mission is to unlock each player's potential, guiding them to develop not only their technical skills but also essential values like discipline, teamwork, and perseverance.

We emphasize the importance of a well-rounded education, equipping our players with life skills that foster growth both on and off the field. At NextGen, players will enhance their physical fitness and participate in weekly sessions with our sports psychologist, ensuring holistic development. Regular progress assessments and opportunities to compete against top-tier professional teams will further refine their skills and visibility to scouts.

Join us at the NextGen Paddle Academy, where we believe in the power of paddle to forge strong connections and inspire greatness. Together, let's achieve your sporting ambitions.

THE RESULT

We create true paddle players. Yet, the paddleer we create within is a power that lasts a lifetime.

- ✔ The Values of Sportsmanship.
- ✔ Dedicated.
- ✔ Players who possess the know how of growth.
- ✔ Developed Paddle Intelligence.
- ✔ Physical capacity to excel.
- ✔ The experience of fighting for one's objectives and succeeding.

The greatest treasure a player obtains from the Next Gen Paddle Academy is the experience and values that shape the player for life.

Paddle

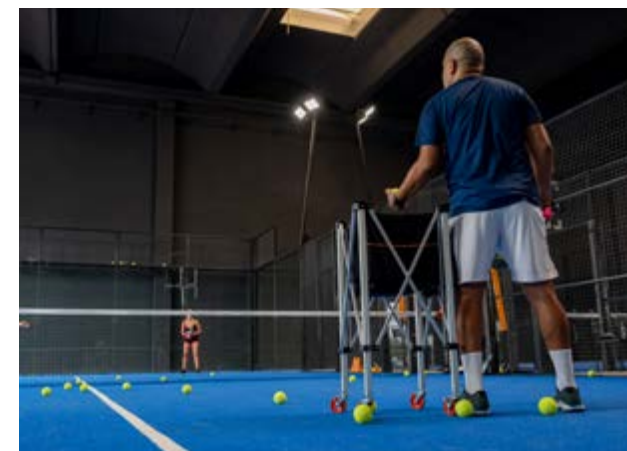

The paddle training we offer what it composes. Our program aims to tailor objectives to the specific circumstances of each student. Some of the overall goals we strive for include:

- ⑦ Enhancing individual techniques and tactics.
- ⑦ Exposing students to European competitions featuring top-tier leagues.
- ⑦ Cultivating the rhythm and intensity needed for elite
- ⑦ European play.
- ⑦ Instilling intelligence and focus in gameplay.
- ⑦ Ensuring mastery of collective tactics and their application.

Few things in life teach such lessons the way sports do.

A UNIQUE SPORTS PROGRAM

Technical Training

At NextGen Paddle Academy, technical training is fundamental to developing elite paddlers. Players undergo rigorous skill-building sessions focused on ball control, dribbling, passing, and shooting techniques. Utilizing cutting-edge training methodologies, we emphasize the importance of mastering individual skills through targeted drills that cater to each player's unique abilities.

Tactical Training

Tactical training at our academy equips players with a deep understanding of the game, focusing on strategic decision-making and situational awareness. Through video analysis and practical drills, players learn various formations, positioning, and roles within the team dynamic.

Physical Training

Physical fitness is paramount for any aspiring paddler, and at NextGen Paddle Academy, we provide comprehensive conditioning programs tailored to elevate players' performance. Our multi-faceted approach includes strength training, agility drills, endurance exercises, and sport-specific conditioning that enhance players' overall athleticism.

Emotional Training

Recognizing that mental resilience and emotional intelligence are vital attributes for top paddlers, our academy integrates emotional training into the curriculum. Players engage in workshops and mentorship sessions designed to foster self-awareness, confidence, and positive mindset development.

A unique Barcelona experience

The Next Gen Paddle Academy provides a unique experience for students to immerse themselves in the rich paddle culture of Barcelona, all while forging friendships and embracing diverse backgrounds. As one of the most influential paddle hubs globally, Barcelona offers young athletes the chance to indulge in their passion for the sport through thrilling matches and a vibrant atmosphere. This exceptional setting allows students to create unforgettable memories while learning to appreciate and respect different cultures.

Located just 20 minutes from the cultural heart of Barcelona, the academy's stunning seaside campus enhances the boarding experience, offering students the chance to enjoy beach activities and water sports. With the dynamic city just a short train ride away, players can explore its rich art, cuisine, and history.

Weekends are filled with fun, socializing, and adventure, featuring exciting trips and cultural events that provide unforgettable experiences throughout Catalonia and Spain.

TERMS & CONDITIONS

1. Overview of the Academy

The NextGen Paddle Academy is dedicated to developing the athletic and personal growth of young paddle players while providing a holistic educational experience. Designed similarly to a boarding school, our academy offers both intensive paddle training and academic programs aimed at cultivating discipline, teamwork, and leadership.

2. Enrollment and Registration

Eligible participants for our program must be aspiring paddle players. Registration will include submission of an application form, health records, and parental consent. Accepted players will receive confirmation and further instructions regarding preparatory steps.

3. Fees and Payment Policies

Parents will receive a breakdown of costs, including any additional fees for equipment, travel, and extra-curricular activities. Payments are to be made in installments as dictated by the agreed-upon schedule. Refunds will only be considered under specific circumstances outlined in our refund policy.

4. Code of Conduct

Players are expected to adhere to a strict code of conduct that emphasizes respect, teamwork, and personal integrity. Disciplinary actions will be enforced against bullying, disrespect, or failure to comply with team protocols, ensuring a safe and productive environment for all.

5. Health and Safety

Students must undergo a medical examination and hold adequate health insurance before joining the academy. In the event of an injury, parents will be promptly notified, and emergency services will be available at all times.

6. Accommodation and Welfare

The academy provides safe, supervised accommodations to foster a supportive living environment. House rules regarding visitors, curfews, and communication with guardians will be clearly outlined and must be followed.

7. Training and Development

Our training curriculum is designed to enhance technical skills, physical fitness, and strategic understanding of paddle. Players are required to attend

scheduled training sessions and maintain a high level of participation. Expectations regarding academic balance will be communicated, ensuring players understand the commitment necessary for both training and learning.

8. Media and Publicity

Parental consent is required for the use of player images, video footage, or testimonials in marketing materials. This will be requested during the registration process, ensuring parents are informed about how their child's likeness may be used.

9. Liability and Insurance

While every player is provided with comprehensive medical insurance, the academy disclaims liability for injuries or incidents that occur during non-academy sanctioned activities. Parents are encouraged to maintain their own insurance coverage to address unforeseen circumstances.

10. Confidentiality and Data Protection

We are committed to protecting the personal information of all participants in accordance with applicable data protection laws. Data collected during the registration process will only be used for purposes directly related to the academy's operations.

11. Governing Law

The terms and conditions of the NextGen Academy will be governed by the laws of Spain. Any disputes will be addressed within the jurisdiction of the Spanish courts.

12. Amendment Policy

The academy reserves the right to amend these terms and conditions as necessary. Parents will be notified of significant changes through official communication channels.

13. Acknowledgment

By enrolling their child, parents acknowledge they have read, understood, and agreed to these terms and conditions.

14. Visa Processing

To study at the NextGen Academy, students from non-European Union countries must obtain a study visa from their respective embassies. The academy will provide notarized documents and other neces-

sary paperwork, along with the contact information of a legal representative. It is critical to initiate the visa process several months prior to the program's start date to ensure timely entry into Spain. Please note that while the academy assists with the visa procedures, notary fees and lawyer interventions are not included in the program price. Importantly, if a student obtains a tourist or student visa through our invitation letters or notarized documents and fails to present themselves at the academy or unjustifiably shortens their stay, we will AUTOMATICALLY REPORT this to the authorities, resulting in visa cancellation and potential future visa denials in Spain or any Schengen Area country.

15. Medical Insurance

Every player enrolled in our program will be covered by comprehensive medical insurance, granting access to full medical services when required.

16. Player Responsibilities

We uphold a zero-tolerance policy for bullying and expect that players demonstrate maximum respect and obedience. Punctuality and seriousness towards training are paramount, and any infractions will lead to disciplinary action. Players must also manage their commitments responsibly, balancing paddle training with academic obligations. Understanding that this balance may limit free time is essential for success in the program.
